Open Discussion

- AD Tuesday 1 August, had opportunity of a stall for an information centre. This was formally Community Voice's, which is located next to Mumby's confectionary. Now to date, it is self-funded, and it is under H.S.A.G, which means that there are no ward surgeries. But, other organisations can come along and advertise. Alf is the stall manager.
- RB On Estuary TV news, the outdoor relax garden is an absolute mess. There is still a lot that needs to be done to it to make it more attractive. In preparation to drop flyers of Peers and PD to surgeries and other organisations with John.
- RD A friend of his has a child who has mental health. The chair mentioned that there is a golden opportunity of coming along to these forum meetings and there will be the strictest of confidence.

PD Weaning down on the website and transferring to the new website.

SB There are many issues with care quality services.
